Lady Derringer

CALIBERS: .38 SPECIAL • .32 MAGNUM

Specifications

The Lady Derringer pistol was designed
by American Derringer for the woman who wants a small compact pistol
for home or personal protection. The hammer, trigger, and action of
each pistol is individually handfitted so that the action is smooth and
easy to cock and the trigger pull is adjusted to be smooth as possible.

Each gun is made from highly polished maintenance free stainless steel and
is fitted with synthetic ivory grips. Barrel Length is 3 inches • Overall
Length: 4.8 inches. Weight: 15 1/2 oz. • Each pistol is packed in a French
Fitted Leatherette Display case. The pistol is stocked in .38 Special or .32
Magnum (will also shoot .32 S&W and .32 S&W Long). These calibers were
selected because they are easy to shoot and still have reasonable stopping
power. The gun is also available in .22 Long Rifle, .22 Rimfire Magnum.
